Property Description

It has 146 apartments with 2 bedrooms and two bathrooms, approximately 72 square meters distributed in a similar way to the previous promotion, but with a larger terrace. In addition, all homes are oriented to the south, so all have plenty of sun all year. Like the previous promotion, the ground floors have a private garden, but the great novelty is that only the upper floors have a solarium with direct access from the house. Regarding common areas, we will have two swimming pools and large gardens and playground. Prices from 141.000 Euros to 193.000 Euros. Delivery June and September 2020.
