Property Description

Residential complex built around a 9-hole golf course, with future extension project to 18 holes. It is characterized primarily by being a resort designed for people who want to enjoy nature without giving up the city. This one-floor model house has a constructed area of 65.70m2 with a living-dining room-kitchen semi-independent, 2 bedrooms, 1 bathroom, a terrace, a solarium of 51.45m2 and a garden from 137m2. It is a perfect place for golf lovers and also for anyone who enjoys the green spaces as places of leisure, beauty and tranquility. Its strategic location makes it possible for the family that decides to live in this complex to have at their fingertips everything that anyone can want: a climate where the sun shines almost all year round, nearby beaches, the Mar Menor and its natural muds with proven healing powers. Prices from 110.000 Euros to 120.000 Euros.
