Property Description

A private residential community, with low housing density, articulated around an 18-hole championship golf course of recognized international prestige. Between valley and hills, with beautiful views of the sea and the trees. In the south of Alicante, with an exceptional microclimate, desired by a good part of Europeans as an ideal place of enjoyment. These villas are built on plots from 538.70m² to 717.76m². They have a built area from 150m² to 185m² with 3 bedrooms, 3 bathrooms, a large living-dining room-kitchen and a beautiful garden of 388.70m². Each dwelling enjoys the following: A natural stone perimeter fence throughout the plot guaranteeing your privacy and security. The blinds are motorized. The glass of the windows allows through its graduation greater solar control. Lighting is both indoor and outdoor LED throughout the home. Fully air-conditioned with AIR ZONE system. The kitchen is fully equipped, with support island, efficiency appliances. A Bathrooms have full underfloor heating. Private swimming pool. Extra: basement for 40.000 Euros. Maximum privacy and security. Unique access, with 24 hour security service, to a valley of 330 hectares between hills, which form a natural barrier, ensuring privacy throughout the community. Urban planning and development. It is reassuring to know that it has all the necessary planning licenses, a plan of environmental protection measures and its low density of construction, less than 4 dwellings per hectare. Prices from 590.000 Euros to 625.000 Euros.
