Property Description

NEW BUILD APARTMENTS IN ORIHUELA New and modern building that is located near the Ociopía shopping center. It is a building with an exclusive design, where the houses have 2, 3 or 4 bedrooms and 2 or 3 bathrooms, with large terraces facing the outside, which gives them great light and a feeling of spaciousness. A quiet place to live on the outskirts of the city, but a few meters from it, with views of the mountains and the fertile orchards of the city. Ideal views to have a good breakfast to start the day, or a quiet dinner at the end of the day. It has a basement with garages and storage rooms (at an additional cost). In addition, on the deck, it has a solarium area with a communal pool to enjoy hot summer days, something never seen in the city. Orihuela city stands out, among several things, for its cultural and natural heritage, especially for its historic center and for its festivities. Beautiful city that has all the services one step away.
