Property Description

Residential with semi-detached villas on one floor with communal pool just 700 meters from the sea. The residential complex consists of a communal pool, garden areas, ground floor apartments with a garden and a private solarium, with 2 or 3 bedrooms and two bathrooms. All of them with kitchen equipped with high and low furniture, ceramic hob, oven and extractor hood. It also has a laundry area and pre-installation of air conditioning. And they also have a cellar (basement) under the house to give it greater amplitude and versatility! Without neighbors above, own a little piece of sky next to the Mediterranean.
