Property Description

Villa located on a 885 m² plot in Moraira. The modern style house has a basement, ground floor and first floor. The facade of the villa has straight shapes where an open space is created that lets in a lot of light. The building consists of three floors with covered and uncovered terraces, large windows that increase the extension of natural lighting and open up impressive views of the sea. The villa has 4 bedrooms, 4 bathrooms and 2 toilets. On the ground floor we find a bedroom, the kitchen and a spacious living room that opens onto the chill out area next to the infinity pool and Jacuzzi. The project is designed by a famous architecture studio.
