Property Description

Its location in a completely consolidated area provides it with all the necessary services. Quick access to public transport, schools, hospitals, leisure, shopping, golf, airport, etc .. It is, therefore, an exclusive project of high standing in which all the homes are located on the strict seafront. Only 10 privileged people will be able to belong to this limited and exclusive residential area. A place where it is possible to enjoy the advantages of living in a select community of owners and at the same time enjoy the privacy offered by these semi-detached houses with a private plot and direct individual access from the seafront. Private areas: Plot with garden, own pool, solarium with jacuzzi and Balinese bed, porch and large terraces
Community areas: Gardens and paddle tennis court This fusion of concepts will allow us to model the way of living at all times.
