Property Description

This is a superb, newly built, detached villa located in the tranquil area of Cortijo San Rafael on the Frigiliana road close to Nerja. It is built to the highest standards with double glazing, stained glass windows, central heating and pre-installation for air conditioning. The property is south facing with panoramic uninterrupted views of both sea and mountains. The villa has 5 bedrooms with fitted wardrobes and 5 bathrooms, all ensuite, of which two bathrooms are fitted with jacuzzi baths. All bedrooms are very spacious. There are two large living areas with built in fireplaces, dining area, kitchen area and study. There are numerous large sunny terraces located around the villa. The villa has two separate external doors and one interlinking internal door, so the property can be used as two completely separate homes if required. There is also a 53m² double garage, a basement area which could be converted into further accommodation if so required, a large parking area and many areas of undeveloped land that could be converted into more living accommodation if required. The property enjoys a 10x5 private pool with surrounding sun terrace. This villa is built to an excellent specification. Originally 1.600.000€.
