Property Description

Casa Isla Bonita sits majestically on a generous plot on the exclusive Cortijos San Rafael, just a short drive from the coastal town of Nerja and the white washed village of Frigiliana. Accessed via automatic gates leading to a spacious drive, the house consists of a double garage, hallway, semi-open plan lounge, diner and kitchen with utility room. In the main house there are three bedrooms, all with large ensuites and a further TV/study room which could also be an additional ensuite bedroom. On the lower floor there is a generous guest apartment, also built to the highest standard with two ensuite bathrooms. High vaulted ceilings, bespoke wrought metal work and antique reclaimed wooden doors are to be found throughout and the house also benefits from a Control 4 smart home system to adjust ambient lighting, music, films, TV and security all via a phone app. Outside there are extensive lawns and terracing with LED garden lighting, mature palms and a bespoke designed pool with fibre optic lighting and a changing room/bathroom. Commissioned by the current owners and built with no expense spared, it is a residence that never fails to impress.
