Property Description

A truly privileged project of almost 10.000m² in a unique beachfront space, where 68 apartments and exclusive penthouses and 2 unique and magnificent villas are built with the best materials and finishes. A project conceived from the unbeatable qualities of the place where it is located, and designed for the people who are going to live in it. Large landscaped areas, large swimming pools and landscaped design. The buildings, of simple forms, have delicately drawn curves. In addition, a spa area and gym where you can take care of your body and your mind. And finally, no cars moving on the surface, always underground, so that the outer spaces are, indeed, for people.
