Property Description

A project of 27 new villas, with amazing sea views in construction from January 2019. Distributed across two phases of construction the first 11 properties are underway from 2019 with half sold already. They offer 4 bedrooms, 4 bathrooms with a large private pool terrace and spectacular views of the sea and golf, not to mention the short distance to the commercial center, where you can find restaurants, bars, supermarkets. An urbanization of luxury villas, with a view to a real life, full of possibilities to develop a full life in terms of: • Privacy, to live a full life; and individual and family enjoyment, in an exclusive environment. • Socialization, with the opportunity to meet new people and receive guests, in an ideal environment to connect. • A privileged environment, with views and very close to the sea. • The ideal climate for the development of multiple outdoor activities. Large number of sunny days to make the most of your free time. • Well-being, by breathing, in all senses. • Closeness to points of interest: the city, the main services, sites of tourist interest, marina, golf courses, etc. **STARTING PRICE: 530.000€** - Contact us today
