Property Description

A traditional town house in a fantastic location just a few streets back from the beach and in a completely pedestrianised area of the Old Town. Semi detached property so offering an abundance of natural light, more so with it's south facing position. The house is in need of a complete reform internally but structurally sound. Offers a great investment opportunity for those looking to take on a project. Ask us today for more information, ideas on the project or to request a viewing.
