The apartment is a good size three bedroom unit which due to it's position offers plenty of natural light, while from the terrace and two of the bedrooms you have a view to the sea. Two bedrooms share a family bathroom, while the large master bedroom has an en-suite and fitted wardrobes. A good size lounge dining room and recently reformed and fully equipped kitchen make up the rest of the apartment. Included in the price is one underground parking space in the building, while the community also offer a shared pool with very economic rates for it's residents.
