Property Description

Armeñime is a Canarian village on the coastal road from Adeje to Los Gigantes. The road passes on the edge of the town so you may well have driven past without realising it. There is a selection of shops, bars and restaurants to choose from as well as a local school. For sale we are pleased to offer something different for the area, namely a detached villa with its own private swimming pool. The property stands in grounds of 1.000 m² and has been built to an extremely high standard. It is also sold furnished and both the fixtures, fittings and furniture are of very high quality. Majority of the furniture are German. The property consists of 3 bedrooms, 2 bathrooms, 1 dressing room, toilets, 2 fully fitted kitchens, lounge, terrace and gardens, underground parking and store room. Sold with many extras, for example, solar panels.
