Property Description

Country house for sale of 65 square meters and a terrace of 150 square meters is situated 100 meters away from the road going up from Los Gigantes to Tamaimo. It has a wonderful view on the coast and La Gomera. It is surrounded by more than 100 fruit trees all belonging to the finca. The owners take good care of their trees and sell their production to the local market. There is a second house under construction that needs to get the building permits. The asphalted access to the main road is very easy.
