Property Description

Property located in the OLD TOWN OF ESTEPONA, just 200 meters from the beach and just 1 minute from the URBAN CENTER, where all kinds of shops and entertainment venues are located, you will not need a car at all. It is made up of 2 UNITED HOUSES that formed a famous Restaurant. It has different possibilities, since it is made up of two deeds so you can reform the lower parts and make two independent houses on 2 floors, (ground floor and first floor). At the moment, the upper parts are houses, so you only need to reform the lower part and put it to the buyer's liking. Also joining two joined properties, a large house, or a house on the top and restaurant or business below. Also enjoy a large solarium. If it is in the two houses, a typical Andalusian style house could be left. Great potential !!, MUST BE VISITED.
